

## ABSTRACT

Crisis at the Surabaya Zoo (KBS), able to attract attention of the media. Nearly a wide range of media highlights the crisis that made news. Resulting news is constructed reality of an event and news was able to influence public opinion. Based on this, researcher interested to analysis news of KBS crisis in the newspaper Jawa Pos and Surya. Therefore, this study focuses on the perspective of the newspaper Jawa Pos and Surya in reporting crisis in Surabaya zoo.

The formulation of this research is how the newspaper Jawa Pos and Surya perspective in reporting the crisis in Surabaya Zoo?. To answer this research question, researcher used framing analytical by William A. Gamson and Andre Modigliani as a method of research. The results of this study is the Jawa Pos tended to side with the government to take over the Surabaya zoo(KBS). Management of animal deaths caused by ill-fitting. Jawa Pos often provide news that supports local government efforts to take over and instead criticize KBS Management Team While (TPS) related to the management of KBS. In contrast, Surya who tend to side with the ministries of forestry and TPS.
