## ACKNOWLEDGEMENTS

First of all, I would like to say my huge gratitude to Allah SWT, who never fails to light my spirit up when I was down and I did not know where else to turn.

This thesis will never be accomplished without the help of my thesis advisor, Mr. Deny Arnos Kwary, Ph.D. Thank you for your tremendous aid and advice. You guided me in every step throughout the process of writing my thesis. Thank you for making me critical toward anything. I can not describe how I was feeling when Tuesday came in these past months. I worried that you would consider my paper not as good as you expected. I would also like to thank the rest English Department lecturers for their guidance and knowledge for all these times.

More importantly, none of this could have happened without my family. My mom and my dad who always worried and offered their encouragement through phone calls, texts, and prays every day. My sisters who always make me laugh by their jokes. This undergraduate thesis stands as a testament to your unconditional love and encouragement.

I would also like to show gratitude to my best lecturer, mgr. Puguh Budi Susetiyo, who always gives me support and advice in these 3.5 years, and also my friends, especially Devi, Ilham, Oci, Tirta, Ajoe, Dio, Hilal, Gindrong, Virga, Putra. Thanks for supporting my steps and accompanying my ups and downs. There are still names to thank that I can not mention one by one.
