ACKNOWLEDGEMENT

I really thank God, for his blessings, and guidance so that I could finish this thesis. I believe that He always keeps His ears opened to listen His children's prayers and He is the only one who I could count on for my whole life. And I know I could not finish writing this thesis without Him by my side.

I give my sincere gratitude to my thesis advisor, Mrs. Masitha Achmad Syukri, M. Hum for the priceless guidance, support and feedback in order to finish this thesis. I am really glad that I had such a caring and motivating advisor who is unarguably very expert in Psycholinguistic study.

For my beloved Mama and Papa, thank you for everything you have done for me. Thank you for the everlasting love you give to me. Without your support, I would never be able to finish this thesis. I promise I will continue to make you proud.

I am blessed to meet various friends especially Astrid and Enita during my study in UNAIR.
