ACKNOWLEDGEMENTS

Alhamdulillah rabbil'alamin, praise be to Allah SWT. My first deep gratitude is always addressed to Allah SWT for His endless blessings, mercies, and to the beloved Prophet Muhammad SAW, peace be upon him, as the most virtuous act for all Muslims. They both always lit me up wherever and whenever I felt down until I could accomplish this thesis.

I realize that this thesis would not be finished without the guidance, advices, and courage from my thesis advisor. Therefore, I would like to thank Ms. Masitha A. S., M. Hum. for her patience in guiding me to finish this thesis. To my mother, Dra. Tri Astutik, who never stopped encouraging me to finish this thesis, thank you very much for everything. I would also like to thank these people: my father, Susanto, my brothers, Sigit Susanto Putro, Singgih Susanto Putro, and Septian Hakim Susanto Putro. Thank you for never stopping to believe that I would finish this thesis.

To my best friends (Nabilah, Putri, Dani, Ariel, Desi), thank you for all the push and I hope we will continue our friendship even after we all are graduated. And also thank to my second family, UKTK, for the chance that you have given to me. Last but not least, I address my gratefulness to all my 2K11 friends from Linguistics, Literature, and Cultural Studies class who cannot be mentioned one by one. Thank you for the colorful days we went through these past four years. I wish you all the best of luck. See you on top!
