

## ABSTRACT

By law, Notary supervised by the Notary Monitoring Council. When a notary violates the provisions stipulated in statute Nomor 30 Tahun 2004 Tentang Jabatan Notaris the Notary Monitoring Council is authorized to impose sanctions. if the notary have question about that sanctions may file legal action then Notary Monitoring Council is accountable for decisions that have been dropped.

The research type of this thesis is a normative juridical where the approach to the problem which is used Statute of approach (*Statute of approach*) and the conceptual approach (*conceptual approach*).

The authority of Notary Monitoring Council as set forth in statute Nomor 30 Tahun 2004 tentang Jabatan Notaris and Ministerial Regulations No M.02.PR.08.10 Tahun 2004 which is equal to monitoring, inspection and dropped sanctions. With the authority to dropped sanctions, there is mismatch between regulation in UUJN dan Ministerial Regulations. Related to the legal effort by sanctioned notary by Notary Monitoring Council is to file a lawsuit to Administrative Court and Civil Court by 1365 BW.

Keywords : Liability, Notary Monitoring Council.
