## Declaration

I, (Vandania Febriani, 041013195), declare that :

1. My thesis is genuine and truly my own creation, and it's not another's person work made under my name, nor a piracy or plagiarism. This thesis has never been submitted to obtain an academic degree in Airlangga University or in any other universities/colleges.
2. This thesis does not contain any work or opinion written or published by anyone, unless clearly acknowledged or referred to by quoting the author's name and stated in the References.
3. This statement is true; if on the future this statement is proven to be fraud and dishonest, I agree to receive an academic sanction in the form of removal of the degree obtained through this thesis, and other sanctions in accordance with the prevailing norms and regulations in Airlangga University.

Surabaya,

Declared by,

Vandania Febriani,

NIM. 041013195

## ACKNOWLEDGEMENT

Great gratitude and praise to the Lord, Jesus Christ, my life motivation, for His endless love that always accompany the researcher so that the researcher is able to finish this undergraduate thesis titled, “The Effects of EVA and VAIC Toward MVA on Real Estate and Property Company Listed in Indonesia Stock Exchange Period 2011-2013” as a partial fulfillment of the requirement to finish undergraduate degree of accountancy at Airlangga University.

During the study until the completion of this final undergraduate thesis, I want to express a very deep gratitude to my parents, mom and dad who have educated me so well, and also to my brother who always stay with me when I'm in happy and sorrow. They always being my motivation, and continuously give their support, pray, and sacrifice for me. This undergraduate thesis is dedicated as a small part of my responsibility to them and I hope they'll proud of me.

Furthermore, in this undergraduate thesis completion process, a lot of prays, supports, assistance, and motivations come from people around me. In this opportunity, I would sincerely say my deepest gratitude to:

1. Prof. Dr. Muslich Ansori, SE., Msc., Ak., as the Dean of Faculty of Economics and Business, Airlangga University.
2. Drs. Agus Widodo Mardijuwono, M.Si., Ak., CMA, CA as the Head Department of Accountancy, Faculty of Economics and Business, Airlangga University.
3. Mr. Khusnul Prasetyo, S.E., M.M., Ak., CMA, CA as the supervisor, for his assistance, support, understanding, direction, advice, and time given in this

process of undergraduate thesis. I'm sorry for always disturbing you at lunch time ^^v.

4. All lecturers and employees in Airlangga University, especially Accounting English Class's lecturers for teaching, learning, experience sharing, and facilitating me in this university that absolutely sharpening my mind and giving many knowledge.
5. All of my best friends in St.Theresia I elementary school, St.Agnes JHS, St.Louis I SHS, and Airlangga University (Lusi and Eva), Autcom (Atha, Regina, Tasya, Debby, and Nadia) who have being a great part of my wonderful youth life story.
6. All of my friends from PKK FEB (Pelayanan Kerohanian Katolik), KMK St.Aloysius Gonzaga (Keluarga Mahasiswa Katolik), OMK Kristus Raja (Orang Muda Katolik), who have built up my characters and supported me spiritually.
7. All of my EC friends, thanks for being my friend and help me a lot during the study year, hope all of you and I can be a useful and great person in the future.
8. All of my accounting friends (Aks1 2010), thanks for all of those help and togetherness since at the first time we are in orientation period, until the end of the year when we graduated. I'm sorry if we haven't had enough time to know each other, one by one closer, but to know you is already a great pleasure to me.
9. And all great people I met in my life that I couldn't mention one by one who made me who I am now.

Finally, all of the experiences I got from my study can't be described in only a piece of paper, but all of people that support me during my study and my life have always been carved in my heart. Researcher hopes that this study can give a contribution for companies and shareholders to make decision easier. This research is so far from perfect, therefore the researcher would be very happy for any constructive comments, critics, and suggestions. May Jesus Christ bless all of you.

Surabaya, March 2015

Researcher
