

ABSTRAK

Homeschooling dianggap sebagai salah satu model pendidikan alternatif di Indonesia. Tujuan dilakukan penelitian ini adalah untuk mengetahui alasan orangtua siswa memilih *Homeschooling* dan program *belajar jarak jauh*; mengetahui alasan orang tua siswa memilih program *belajar jarak jauh*; dan untuk mengetahui gaya belajar siswa *Homeschooling* program *belajar jarak jauh*. Teknik analisis data dilakukan dengan model analisis deskriptif kualitatif dari Miles dan Huberman yang terdiri dari reduksi data, penyajian data serta penarikan kesimpulan atau verifikasi. Hasil penelitian menunjukkan bahwa: a) alasan orang tua memilih *Homeschooling* di Surabaya karna konsep pembelajaran yang memudahkan dimana pandangan mengenai sistem belajar bahwa belajar dapat dilakukan dimana saja, kapan saja tanpa terikat oleh peraturan yang terlalu guru; b) alasan orang tua memilih program belajar jarak jauh disebabkan program ini dinilai sebagai solusi bagi siswa dengan keterbatasan berbagai hal dan latar belakang sehingga menyulitkan siswa untuk sekolah seperti sekolah formal pada umumnya; serta c) penerapan gaya belajar di *Homeschooling* di Surabaya dimana sistem gaya belajar disesuaikan dengan faktor dari dalam seperti kebiasaan siswa yang tidak bisa bangun pagi dengan teratur serta pengalaman buruk saat sekolah formal maupun ketertarikan sistem belajar maupun gaya belajar lain yang berbeda.

Kata kunci: *Homeschooling*, Belajar Jarak Jauh, Gaya Belajar

ABSTRACT

Homeschooling is considered as one of the alternative education models in Indonesia. The purpose of this study was to find out the reasons parents choose Homeschooling and distance learning programs; find out the reasons parents choose a distance learning program; and to find out the learning style of Homeschooling learning distance learning program. Data analysis technique is done by qualitative descriptive analysis model from Miles and Huberman which consist of data reduction, data presentation and conclusion or verification. The results showed that: a) the reasons parents chose Homeschooling in Surabaya because the concept of learning that facilitates the view of the system of learning that learning can be done anywhere, anytime without being bound by the rules that are too teachers; b) the reason parents choose a distance learning program is because this program is considered as a solution for students with limitations of various things and backgrounds making it difficult for students to go to school like formal schools in general; and c) the application of learning style in Homeschooling Surabaya where the learning style system is adjusted with internal factors such as the habit of students who can not get up in the morning regularly and bad experience when formal school or interest in learning system and other learning styles are different.
