| KATA PENGANTAR | vi |
| ABSTRAK | viii |
| ABSTRACT | ix |
| DAFTAR ISI | x |
| DAFTAR GAMBAR | xiv |
| DAFTAR TABEL | xv |
| BAB I PENDAHULUAN | 1 |
| | 1.1 Latar Belakang | 1 |
| | 1.2 Rumusan Masalah | 7 |
| | 1.3 Tujuan Penelitian | 7 |
| | 1.4 Manfaat Penelitian | 8 |
| | 1.5 Sistematika Penulisan | 8 |
| BAB II TINJAUAN PUSTAKA | 10 |
| | 2.1 Landasan Teori | 10 |
| | 2.1.1 Teori Konsumsi | 10 |
| | 2.1.2 Teori Perilaku Konsumen | 11 |
| | 2.1.3 Teori Permintaan Barang | 13 |
| | 2.1.5 Elastisitas Permintaan | 19 |
2.1.5.1 Elastisitas Harga ........................................................... 22
2.1.5.2 Elastisitas Pendapatan .................................................. 24
2.1.5.3 Elastisitas Silang ........................................................... 25
2.15 Cukai ......................................................................................... 26
2.16 Konsumsi Rumah Tangga ......................................................... 28
2.2 Penelitian Sebelumnya .............................................................. 29
2.3 Hipotesis dan Model Analisis .................................................... 31
  2.3.1 Hipotesis … ................................................................. 31
  2.3.2 Model Analisis… ............................................................ 32
2.4 Kerangka Berpikir ................................................................. 33
BAB III METODE PENELITIAN ......................................................... 35
  3.1 Jenis Metode Penelitian .......................................................... 35
  3.2 Identifikasi Variabel ................................................................ 35
  3.3 Definisi Operasional ................................................................. 36
  3.4 Jenis dan Sumber Data ............................................................. 37
  3.5 Prosedur Pengumpulan Data ..................................................... 38
  3.6 Teknik Analisis ........................................................................ 39
    3.6.1 Regresi Linier Majemuk (Multiple Linear Regression) ........ 39
    3.6.2 Pengujian Statistik ............................................................ 42
      3.6.2.1 Uji F-Statistik (Simultan) ........................................... 42
      3.6.2.2 Uji t-Statistik (Parsial) ................................................. 43
    3.6.3 Pengukuran Koefisien Determinasi (R2) ................................. 44
    3.6.4 Uji Asumsi Klasik ............................................................. 45
      3.6.4.1 Uji Heteroskedastisitas ............................................... 45
      3.6.4.2 Uji Multikoliniearitas ................................................... 46
BAB 4 HASIL DAN PEMBAHASAN ........................................................... 47

4.1 Gambaran Umum Objek Penelitian ................................................. 47
  4.1.1 Pengeluaran Konsumsi Rokok.................................................. 47
  4.1.2 Harga Rokok ............................................................................. 48
  4.1.3 Pendapatan Rumah Tangga....................................................... 49
  4.1.4 Pengeluaran Makanan............................................................... 49
  4.1.5 Pengeluaran Kesehatan............................................................ 50
  4.1.6 Usia Awal Merokok................................................................. 50
  4.1.7 Cukai di Indonesia ................................................................. 51

4.2 Deskripsi Hasil Penelitian............................................................... 53
  4.2.1 Hasil Estimasi Model ............................................................... 55
  4.2.2 Uji Multikolinearitas ............................................................... 56
  4.2.3 Uji Heteroskedatisitas ............................................................. 57

4.3 Penguji Statistik ............................................................................. 57
  4.3.1 Uji F-statistik (Simultan) .......................................................... 57
  4.3.2 Uji t-statistik (Parsial) ............................................................... 58
  4.3.3 Interpretasi Koefisien ............................................................. 58
  4.3.4 Koefisien Determinasi (R^2) .................................................... 60

4.4 Penguji Hipotesesi ........................................................................ 61

4.5 Pembahasan .................................................................................. 62
  4.5.1 Pengaruh Harga Rokok terhadap Pengeluaran Konsumsi Rokok pada Rumah tangga ............................................. 62
  4.5.2 Pengaruh Pendapatan Rumah Tangga terhadap Pengeluaran Konsumsi Rokok pada Rumah tangga ..................... 64
  4.5.3 Pengaruh Pengeluaran Makanan terhadap Pengeluaran Konsumsi Rokok pada Rumah tangga ............................. 65
4.5.4 Pengaruh Pengeluaran Kesehatan terhadap Pengeluaran Konsumsi Rokok pada Rumah tangga .................................................... 66

4.5.5 Pengaruh Usia Awal Merokok terhadap Pengeluaran Konsumsi Rokok pada Rumah tangga .................................................... 67

4.6 Keterbatasan Penelitian .............................................................. 68

BAB 5 SIMPULAN DAN SARAN ........................................................ 69

5.1 Kesimpulan ................................................................................. 69

5.2 Saran .......................................................................................... 69

DAFTAR GAMBAR

Gambar 1.1  Rata-rata Pengeluaran per Kapita Sebulan menurut kelompok barang (rupiah), 2013-2016 ........................................ 4

Gambar 2.1  Garis Anggaran .............................................................................. 11

Gambar 2.2  Kurva Indifferen ............................................................................. 13

Gambar 2.3  Dampak Perubahan Harga ............................................................... 15

Gambar 2.4  Perubahan Kurva Permintaan ......................................................... 16

Gambar 2.5  Dampak Perubahan Pendapatan ....................................................... 17

Gambar 2.6  Kurva Elastisitas ............................................................................. 21

Gambar 2.7  Kerangka Berfikir ......................................................................... 33

Gambar 3.1  Proses Pengumpulan Data .............................................................. 38
DAFTAR TABEL

Tabel 1.1 Pengeluaran Perkapita Menurut Kelompok
Makanan dan Kuantil Pengeluaran, Maret 2016 ...................... 3

Tabel 2.1 Penelitian Terdahulu................................................................. 29

Tabel 4.1 Harga Rokok di ASEAN ......................................................... 48

Tabel 4.2 Persentase Perokok Usia 15 Tahun Keatas berdasarkan
Usia Awal Merokok di Indonesia......................................................... 51

Tabel 4.3 Tarif Cukai Rokok 2017.......................................................... 53

Tabel 4.4 Statistik Deskriptif Variabel Penelitian................................. 54

Tabel 4.5 Hasil Regresi OLS pada variabel Dependen Pengeluaran
Konsumsi Rokok ............................................................................. 55

Tabel 4.6 Hasil Uji Multikolinearitas..................................................... 56
