Reply-To: Indian Journal of Otolaryngology and Head & Neck Surgery <Innamdev@rediffmail.com>

To: Muhtarum Yusuf <yusufmuhtarum@gmail.com>

Dear Mr Yusuf,

The PDF for your manuscript, "Matrix Metalloproteinase-9 Expression and Status of Cervical Lymph Nodes in Patients with Nasopharyngeal Carcinoma" is ready for viewing.

In order to formally submit your manuscript to the journal, you must approve the PDF.

Please access the journal's website.

Your username is: muhtarumyusuf

If you forgot your password, you can click the 'Send Login Details' link on the EM Login page at

<https://ijoo.editorialmanager.com/>

Click "Author Login".

In your main menu, you will see there is a category entitled "Submission Waiting for Author's Approval".

Click on that category, view your submission and approve it. In the unlikely case of conversion issues you may submit your manuscript data as a PDF file.

Your manuscript will then be formally submitted to the journal.

Thank you very much.

With kind regards,

Springer Journals Editorial Office

Indian Journal of Otolaryngology and Head & Neck Surgery

Dear Mr Yusuf,

Thank you for submitting your manuscript, Matrix Metalloproteinase-9 Expression and Status of Cervical Lymph Nodes in Patients with Nasopharyngeal Carcinoma, to Indian Journal of Otolaryngology and Head & Neck Surgery.

The submission id is: IJOO-D-18-00089

Please refer to this number in any future correspondence.

During the review process, you can keep track of the status of your manuscript by accessing the journal's website.

Your username is: muhtarumyusuf

If you forgot your password, you can click the 'Send Login Details' link on the EM Login page at

<https://ijoo.editorialmanager.com/>

Should you require any further assistance please feel free to e-mail the Editorial Office by clicking on "Contact Us" in the menu bar at the top of the screen.

With kind regards,

Springer Journals Editorial Office

Indian Journal of Otolaryngology and Head & Neck Surgery

Now that your article will undergo the editorial and peer review process, it is the right time to think about publishing your article as open access. With open access your article will become freely available to anyone worldwide and you will easily comply with open access mandates. Springer's open access offering for this journal is called Open Choice (find more information on www.springer.com/openchoice). Once your article is accepted, you will be offered the option to publish through open access. So you might want to talk to your institution and funder now to see how payment could be organized; for an overview of available open access funding please go to www.springer.com/oafunding. Although for now you don't have to do anything, we would like to let you know about your upcoming options.

Dear Mr Yusuf,

Reviewers have now commented on your paper. You will see that they are advising that you revise your manuscript. If you are prepared to undertake the work required, I would be pleased to reconsider my decision.

The reviewers' comments can be found at the end of this email or can be accessed by following the provided link.

Please make sure to submit your editable source files (i. e. Word, TeX).

If you decide to revise the work, please submit a list of changes or a rebuttal against each point which is being raised when you submit the revised manuscript.

Your revision is due by 13 Apr 2018.

To submit a revision, go to <https://ijoo.editorialmanager.com/> and log in as an Author. You will see a menu item call Submission Needing Revision. You will find your submission record there.

Yours sincerely

Satyaprakash Dubey, M.S.(ENT)
Editor-in-Chief
Indian Journal of Otolaryngology and Head & Neck Surgery

COMMENTS TO THE AUTHOR:

Reviewer #2: Bibliography is not related i.e 7 has article for animal model with use of drug but NPC is not in list of referred article etc.

COMMENTS TO THE AUTHOR:

Reviewer #2: The presence of metastatic cells in the slices of lymph nodes was evaluated by immunohistochemistry using antibodies for CK19 and MMP-9. Expression of CK19 and MMP-9 in lymph nodes was also confirmed by means of Western blot analysis. These are linked but no scientific data in paper.

Dear Dr. Muhtarum Yusuf,

Greetings!

During processing of your article titled **Matrix Metalloproteinase-9 Expression and Status of Cervical Lymph Nodes in Patients with Nasopharyngeal Carcinoma** for **Indian Journal of Otolaryngology and Head & Neck Surgery (J. No. 12070; Article No. 1451)** published by Springer the following question has arisen:

The citations for "**Tables 1, 2, 4 and 5**" are given in text. However, the relevant tables are not provided along with the manuscript which we have received. Could you please check and provide?

Please send me your answers within 48 hours by return e-mail. Speed of response is important to everyone involved in publishing (the author, editor, and publisher), and we are utilizing all the electronic means available to achieve rapid turnaround and publication of material. The two-day deadline for answering questions is important in order to help us guarantee regular and timely publication.

Thank you for your help.

Sincerely yours,

Gokul

Dear Author,

We are pleased to inform you that your paper is nearing publication. Your article proofs are available at:

http://eproofing.springer.com/journals_v2/index.php?token=SulChV0hYZD6QY7silkrmHTvOVj2HPD9ELYhgglLDGmZ8k1zecqY6A

The URL is valid only until your paper is published online. It is for proof purposes only and may not be used by third parties.

You can help us facilitate quick and accurate publication by using our e.Proofing system. The system will show you an HTML version of the article that you can correct online. In addition, you can view/download a PDF version for your reference.

As you are reviewing the proofs, please keep in mind the following:

- This is the only set of proofs you will see prior to publication.
- Only errors introduced during production process or that directly compromise the scientific integrity of the paper may be corrected.
- Any changes that contradict journal style will not be made.
- Any changes to scientific content (including figures) will require editorial review and approval.

Please check the author/editor names very carefully to ensure correct spelling, correct sequence of given and family names and that the given and family names have been correctly designated (NB the family name is highlighted in blue).

Please submit your corrections within 2 working days and make sure you fill out your response to any AUTHOR QUERIES raised during typesetting. Without your response to these queries, we will not be able to continue with the processing of your article for Online Publication.

Should you encounter difficulties with the proofs, please contact me.

Thank you very much.

Sharing Information for "Matrix Metalloproteinase-9 Expression and Status of Cervical Lymph Nodes in Patients with Nasopharyngeal Carcinoma"

1 message

Springer Nature Sharing <no-reply@email.authors.springernature.com>
To: yusufmuhtarum@gmail.com

Thu, Jul 19, 2018 at 12:04 PM

Dear Author,

Congratulations on publishing "Matrix Metalloproteinase-9 Expression and Status of Cervical Lymph Nodes in Patients with Nasopharyngeal Carcinoma" in Indian Journal of Otolaryngology and Head & Neck Surgery. As part of the Springer Nature SharedIt initiative, you can now publicly share a full-text view-only version of your paper by using the link below. If you have selected an Open Access option for your paper, or where an individual can view content via a personal or institutional subscription, recipients of the link will also be able to download and print the PDF. All readers of your article via the shared link will also be able to use Enhanced PDF features such as annotation tools, one-click supplements, citation file exports and article metrics.

<https://rdcu.be/3bWP>

We encourage you to forward this link to your co-authors, as sharing your paper is a great way to improve the visibility of your work. There are no restrictions on the number of people you may share this link with, how many times they can view the linked article or where you can post the link online.

More information on Springer Nature's commitment to content sharing is available [here](#).

Sincerely,
Springer Nature

The [Springer Nature SharedIt Initiative](#) is powered by  readcube technology.

 Springer Alert

Online First: your article is published

2018-07-21

Congratulations

Dear Author,

We are pleased to inform you that your article has just been published:

Title

Matrix Metalloproteinase-9 Expression and Status of
Cervical Lymph Nodes in Patients with
Nasopharyngeal Carcinoma

**Journal**

Indian Journal of Otolaryngology and Head & Neck
Surgery, (), 1-6

DOI

10.1007/s12070-018-1451-z

Your article is available as 'Online First':

<http://link.springer.com/article/10.1007/s12070-018-1451-z>

It is fully accessible to all users at libraries and institutions that have purchased a SpringerLink license. If your article is published under one of our Open Access programs, it will be freely accessible to any user.

Announce Your Publication

We encourage you to forward this email to your co-authors. Additionally we recommend you mention your article's publication and its DOI on your website or your social media profiles. The article's SpringerLink page features easy-to-use "share" buttons for popular social media channels as well as the real-time display of your article's citations and social shares.

Citation Information

Your article can be cited by its DOI 10.1007/s12070-018-1451-z in the following form:

Author, Journal Title, Year, DOI

We will notify you once your article is assigned to a specific journal issue, completed production and a new, paginated e-Offprint with the final cover of the respective issue will be available to you as a free PDF-download.

After that any additional (printed) offprints or posters you might have ordered will be shipped to you.

Springer Nature also offers a service to create professional short animated videos – [click here](#) to find out more.

Thank you again for publishing with Springer. We look forward to your future contributions!

Best regards,

Heinz Weinheimer
Managing Director Springer Research Group

PS: For your next article we encourage you to register for an ORCID iD, a unique and internationally recognized identifier that attaches your identity to your research work, such as your articles and their citations. More on ORCID benefits at orcid.org.
