TITLE

Analysis of Zakat, Infaq And Alms Management Model In Social Institution of Tebuireng Islamic Boarding School (Lspt) as an Empowerment Program of Santri and Community.

CONTENTS

The Tebuireng Islamic Boarding School (LSPT) is an amil zakat institution under the auspices of K.H Hasyim Asy'ari Foundation. The results of the collection of zakat, *infaq* and alms in the Social Institution of Tebuireng Islamic Boarding School show a large number, especially in infaq collection. An effective management model s needed to optimize the potential of these funds to empower the students and the community.

This study aims to analyze the management model of zakat, infaq and alms at Tebuireng Islamic Boarding School as a program for empowering santri and community. This study uses qualitative approach through explaining building.

The results obtained from this study are the Tebuireng Islamic Boarding School Social Institution using a traditional consumptive management model and creative consumptive in the distribution of zakat, *infaq* and alms. The results of the analysis explain that with the management model, the Scholarship Compensation program, the Community Care program, and the School Care program in the Tebuireng Islamic Boarding School Social Institution can empower santri and community through *tamkin* indicators both *maddi* (material) and *ma'nawi* (non-material).
