| DAFTAR TABEL .....                     | xvii           |
| DAFTAR LAMPIRAN .....                  | xviii          |
| <b>BAB I PENDAHULUAN</b>               |                |
| 1.1 Latar Belakang .....               | 1              |
| 1.2 Rumusan Masalah .....              | 4              |
| 1.3 Tujuan Penelitian .....            | 4              |
| 1.4 Manfaat Penelitian .....           | 5              |
| <b>BAB II TINJAUAN PUSTAKA</b>         |                |
| 2.1 Stroke .....                       | 6              |
| 2.1.1 Epidemiologi .....               | 6              |
| 2.2 Klasifikasi Stroke .....           | 7              |
| 2.2.1 Stroke Iskemik .....             | 7              |
| 2.2.2 Stroke Hemoragik .....           | 9              |
| 2.3 Patofisiologi Stroke Iskemik ..... | 10             |

|                                    |  |    |
|------------------------------------|--|----|
| 2.3.1                              | Ketidakseimbangan Ion .....                            | 11 |
| 2.3.2                              | <i>Excitotoxicity</i> .....                            | 12 |
| 2.3.3                              | Oksidatif dan Stres Nitrosatif .....                   | 13 |
| 2.3.4                              | Apoptosis .....  | 14 |
| 2.4                                | Quercetin .....  | 15 |
| 2.5                                | Metode Induksi Stroke .....                            | 18 |
| 2.5.1                              | MCAO ( <i>Middle Cerebral Artery Occlusion</i> ) ..... | 18 |
| 2.5.2                              | CCAO ( <i>Commom Carotid Artery Occlusion</i> ) .....  | 19 |
| 2.6                                | Metode Uji Fungsi Motorik .....                        | 19 |
| 2.6.1                              | <i>Ladder rung walking test</i> .....                  | 19 |
| 2.6.2                              | <i>Narrow beam test</i> .....                          | 19 |
| 2.7                                | Metode Uji Fungsi Sensorik .....                       | 20 |
| 2.7.1                              | <i>Adhesive Removal Tape Test</i> .....                | 20 |
| <b>BAB III KERANGKA KONSEPTUAL</b> |  |    |
| 3.1                                | Alur Kerangka Konseptual .....                         | 21 |
| 3.2                                | Uraian Kerangka Konseptual .....                       | 22 |
| <b>BAB IV METODE PENELITIAN</b>    |  |    |
| 4.1                                | Jenis Penelitian .....                                 | 24 |
| 4.2                                | Bahan dan Alat .....                                   | 24 |
| 4.2.1                              | Bahan .....  | 24 |
| 4.2.2                              | Alat .....   | 24 |
| 4.3                                | Sampel Penelitian .....                                | 25 |
| 4.4                                | Metode Penelitian .....                                | 25 |
| 4.4.1                              | Rancangan Penelitian .....                             | 25 |
| 4.4.2                              | Penyiapan Obat .....                                   | 26 |
| 4.4.3                              | Tahapan Percobaan .....                                | 26 |
| 4.4.4                              | Kerangka Operasional Penelitian .....                  | 32 |
| 4.4.5                              | Analisis Statistik .....                               | 33 |

|   |    |    |
|---|----|----|
| 4.4.6 Etik Penelitian .....   | 33 |    |
| BAB V HASIL PENELITIAN  |    |    |
| 5.1 Pengaruh Quercetin pada Fungsi Motorik dan Sensorik Mencit..... | 34 |    |
| 5.2 Pengaruh Quercetin pada Berat Badan Mencit .....                | 44 |    |
| BAB VI PEMBAHASAN .....   |    | 46 |
| BAB VII KESIMPULAN DAN SARAN  |    |    |
| 7.1 Kesimpulan .....  | 54 |    |
| 7.2 Saran .....   | 54 |    |
| DAFTAR PUSTAKA .....  | 55 |    |
| LAMPIRAN .....  | 61 |    |
