IV HASIL DAN PEMBAHASAN ................................................................. 15

4.1 Keadaan Umum Lokasi Praktek Kerja Lapang .................................. 15
  4.1.1 Sejarah ...................................................................................... 15
  4.1.2 Letak Geografis dan Topografi .................................................. 16
  4.1.3 Struktur Organisasi dan Tenaga Kerja ...................................... 18
  4.1.4 Sarana dan Prasarana di UPTD BBI Jojogan .............................. 19

4.2 Pemeliharaan Benih Ikan Nila Merah (Oreochromis niloticus) ............ 20
  4.2.1 Persiapan Wadah ..................................................................... 20
  4.2.2 Persiapan Air ........................................................................... 20
  4.2.3 Persiapan Benih ........................................................................ 21
  4.2.4 Penebaran Benih ..................................................................... 21
  4.2.5 Pemeliharaan Benih ................................................................ 22

4.3 Manajemen Pakan ............................................................................ 22
  4.3.1 Jenis Pakan .............................................................................. 22
  4.3.2 Teknik Pemberian Pakan ............................................................. 24
  4.3.3 Dosis Pemberian Pakan ............................................................... 24
  4.3.4 Monitoring ............................................................................... 25
  4.3.5 Penyimpanan Pakan ................................................................. 25

4.4 Evaluasi Pemberian Pakan Pada Benih Ikan Nila Merah ..................... 26
  4.4.1 Feed conversion ratio ................................................................. 26
  4.4.2 Specific Growth Rate ................................................................. 27
  4.4.3 Efisiensi Pakan ......................................................................... 28
  4.4.4 Hambatan Dalam Manajemen Pemberian Pakan Pada Pemeliharaan
         Benih Ikan Nila Merah ................................................................. 29

V KESIMPULAN DAN SARAN .................................................................. 30

5.1 Kesimpulan ....................................................................................... 30
5.1 Saran ............................................................................................... 30
