LETTER OF ACCEPTANCE

Dear Dr. Retno Sari,

The Scientific Committee of **the International Conference on Applied Pharmaceutical Science (ICoAPS) 2018** is pleased to inform you that your abstract has been accepted. We want to thank you for your interest in presenting and actively participating in our conference to be held in 18-19 October 2018.

Please find confirmation of your accepted abstract below:

Paper ID	O34-FS
Title	Development of andrographolide-chitosan microparticles prepared by ionic gelation-freeze drying methods: effect of chitosan concentration on physical characteristics, in vitro release rate and kinetics
Paper Status	Accepted for Oral Presentation

As soon as the program is finalized, we will send you an email specifying the session, date, time and length of your presentation. Please note that only officially registered presenters may present their work during the conference.

Should you have any inquiry, please feel free to contact us through: icoaps-secretariat@ff.unair.ac.id.

Dear Retno Sari,

Your paper, The effect of chitosan type and concentration on physical characteristics and drug release behavior of andrographolide-chitosan microparticles prepared by ionic gelation – freeze drying, has been submitted to SSRN by the organizer of the International Conference on Applied Pharmaceutical Sciences (ICoAPS) 2018 to be included in the conference proceedings.

Once finalized and released by the conference organizer, the proceedings will be publicly available here: <http://ssrn.com/link/Int-Conf-2018-ICOAPS.html>

The conference has created a dedicated proceedings eJournal to distribute this year's proceedings. Click the link to subscribe: <https://hq.ssrn.com/jourInvite.cfm?link=Int-Conf-2018-ICOAPS>

Accessing Your SSRN Account:

If you do not have an SSRN password, click "Forgot Password" in the sign-in area on <https://hq.ssrn.com> and enter the email address where you received this notification. A link to set your password will be sent to you and your username will be your email address.

Revising This Submission:

To edit or remove this submission, sign in to SSRN at <https://hq.ssrn.com> then click on the My Papers link in the menu on the left side of the page.
