## DECLARATION

I declare that this undergraduate thesis submitted in partial fulfillment of the degree of Sarjana Humaniora (S.Hum) of the English Department Faculty of Humanities Universitas Airlangga is entirely my own work and has been solely the result of my own original research. Hereby, I confirm that:

1. This thesis is not copied from any other person's work (published or unpublished);
2. I do not use the services of any professional agencies to produce this thesis;
3. This work has not previously been submitted in whole or in part for a degree or any other qualification either at Universitas Airlangga or elsewhere;
4. Any texts, tables, figures, data or other materials copied from other sources (including, but not limited to, books, papers, and the internet) have been clearly acknowledged and referenced in the text. These details are also confirmed by a fuller reference at the end of the work.

I am fully aware that breaching any or all of the above points will result in the withdrawal of the awarded degree and disciplinary action in accordance with the regulations at Universitas Airlangga.

## ACKNOWLEDGEMENTS

First and foremost, I would like to express my sincerest gratitude to God the Almighty for everything in my life and for giving me good health to help finish this undergraduate thesis. This thesis also benefited greatly from the support of many people, some whom I would sincerely like to acknowledge here.

To begin with, I am deeply grateful to both of my parents Heru Sutomo, Drs.Ec and Endang Sri Utami for their never ending support. You are my reason for going further and stronger. I am blessed to be your daughter and may I continue to make you both proud.

Then, for my both sisters, Fitri Ayusari Halimah dan Dessy Kusumaningrum. My treasures, the gravity; the shaft where I will continue to circulate around you until the end. Thank you for all the strength and prayers.

Furthermore, I am deeply grateful to Gesang Manggala N.P., S.A., M.Hum, for the guidance, knowledge, and patience in helping me finish this undergraduate thesis.

Also, I would like to express my gratitude to Titien Diah Soelistyarini, M,Si, who has been my academic advisor during my years of college. Thank you for all the advice and attention that has been devoted.

Last but not least, I would like to thank those who stood by me through thick and thin;

1. Nur Shabrina Novayanti Inesta and Aulia Rizqiaputri, without your support, maybe I would not be in this position. Thank you very much for all prayers and time spent. People said those who have been bestfriends more or less seven years would last forever, I deeply wish we could through this crazy world till the end.
2. Herdian Meirinda, Yoga Rizkya Fairuz Rochma Yoni, Yoshua Ariel, Angie Rizqhiandani. My college life definitely would be bored without

you. Those sleepless nights, make sure no assignment left behind. For your endless support, and keep believing that I could pass this phase.

3. For my beloved informants: Cici, Kara, and Sari. Thank you for your time and support.
4. John Jun Suh, Lucas Wong, and Muhammad Fauzul Ilmi, who keep me stay sane among this craziest phase of my life. Thank you for endless support, happiness, laughter, and joy. Beyond grateful for that. I really meant it.
5. My long lost friends; Mada Emmanuelle Brahmantyo, Reuben Nathaniel, and Mikha Angelo Brahmantyo. We did grow up together for six years straight. Your works really inspired me a lot, to keep dreaming and believing on myself. Told me that I am enough as myself, for myself.
