

SYNOPSIS

The movie begin with A family in Nairobi Kenya, Somali militant area to be exact. The family of Musa's live happily in the middle of the neighborhood. After that, we see Colonel Powell get up from her bed and go to her office room in the house. She stare at the board that contain her mission of lifetime which to get number 3 and 4 from America wanted list. Up in the morning, she go to her office in pentagon. She run a mission to capture a group of extremist in Nairobi, Kenya.

The mission is run under Britain parliament and American military. lieutenant general Frank Benson become a representor of America in COBRA. As the mission start, Steve Watts a drone pilot joining the mission to scout the militia group that start to recruit new member from Britain. There are two new recruitment from the Britain. They go in one of the extremist chief house to have a welcome ceremony. In the same time, Britain followed the car into the house.

When they start to leave the house, they enter very guarded area in the neighborhood which Musa's family lives. American spy cannot enter the area because it is very dangerous. After that, Colonel Powell ask one of her man to masquerade. The man start to buy some buckets in local market in order to enter the area as a trader.

The second he enter the area he get blocked by Al-Shabaab guards. He talk to them that he just a traders who wants to sell a buckets in Al-Shabaab market. The guards let him in and he pick the corner that not many people comes. He start to release beetle bot

from his pocket and play it like it is just like normal video game. In the middle of his work, a child show up and wants to play with him. But, he refuse and tell the child to sell his bucket and he can keep 40% of it.

As the beetle bot start to enter a house, the new recruitment show up doing a sanctification. A woman and man show up later in the room which is number 2 and 4 in colonel Powell list. When Powell ask the man to looks at the other room, he found a man with suicide vest with video equipment. Than, they realize that the new recruitment was prepared for another suicide mission or 'Jihad'.

Powell see an opportunity to change the mission from capture to kill. However, British parliaments wants the recruitment alive and judge in Britain. In short, British side wants to run a regulation for change the mission. Finally they both agreed to launch a reaper missile from the drone. Suddenly, Alia's coming from her house to sell a bread. Steve as a pilot wants to save Alia by recalculating the collateral damaged of the mission. Powell end up by an idea to buy her bread. The man who control beetle bot try to buy her bread but in the end one of the militia guard recognize him and chase him down. He survived and meet a boy. He ask the boy to buy a bread drom Alia and he finally did it. As Alia leave, the missile come down but as she walks the missile damaged her. When Powell find out that one of the wanted list still alive she instruct to launch the second missile. Alia get down for the second time and her father Musa pick her up. Musa beg for help in the militia guard to bring them to the near hostipal. Ali cannot survive and in the end she die.
