Journal Name: Bulletin of Chemical Reaction Engineering & Catalysis
Article Title: Direct Synthesis Highly Crystalline ZSM-5 from Indonesian Kaolin

Dear Dr. Hartati Hartati,

Reviewers have now commented on your paper (attached below this email). You will see that they are advising that you must revise your manuscript. If you are prepared to undertake the work required, I would be pleased to reconsider my decision.

For your guidance, reviewers' comments can be read in your Author online interface. If you decide to revise the work, please submit a list of changes or a rebuttal against each point which is being raised when you submit the revised manuscript.

To submit a revision, please submit your revised manuscript documents to BCREC online submission interface at <http://ejournal2.undip.ac.id/index.php/bcrec> after you login as Author.

Reviewers' Comment:

"Please see comments on the file downloadable by authors after login to this e-journal portal. "

The revised document should include:

- Revision Note file in a table form with respect to Reviewers comments
- Revised document file in Template-based format (MS Word file).

To upload your revised manuscript, please login to BCREC Journal submission interface (<http://ejournal2.undip.ac.id/index.php/bcrec>) then login using your user and password as usual. Therefore, click on "Active" and click on the title of your manuscript. Under the header of "#xxxx Summary" there are three taskbars, i.e. "Summary", "Review", "Editing" click on "Review". In the section of Editor Decision, please upload your revised manuscript file within sub section of "Upload Author Version", please just browse the file, and click on "Upload".

Thank you for submitting to this journal.

Yours sincerely,

Assoc. Prof. Dr. Istadi Istadi
