ACKNOWLEDGEMENT

This thesis entitled “**Influence of Safety Management Practices to Safety Compliance Behavior with Mediating Safety Motivation**” is the final project submitted as a requirement of graduation of Master of Science Management (MSM) for the period of 2018-2020.

During the research and preparation of the research report in this thesis, the author did not escape obstacles. These obstacles can be overcome by the author thanks to the help, guidance and support from various parties, therefore the writer would like to thank:

1. Prof. Dr. Dian Agustia, SE., M.Sc., Ak., as Dean of the Faculty of Economics and Business Airlangga University which has provided writers the opportunity to study at Faculty of Economics and Business, Airlangga University, Surabaya.
2. Dr. Rahmat Setiawan, SE., MM., CFP., as the Coordinator of the Masters of Science Management Program, Faculty of Economics and Business, Airlangga University.
3. Dr. Praptini Yulianti, SE., M.Si., as a Supervising Lecturer for her patience, ultimate support and careful supervision throughout the study. She constantly encouraged me to remain focused on achieving my mission. It has been both a privilege and pleasure to have her as my supervisor and teacher.

4. Dr. Rahmat Setiawan SE., MM., CFP, Dr. Ahmad Rizki Sridadi SH., MM., MH and Dr. Dwi Ratmawati, SE., M.Com., as the examiner lecturer who has provided time for test and given direction to the author.
5. All the lecturers in the Faculty of Economics and Business who has educated and provided useful knowledge during the study and motivation to complete this thesis.
6. Miss Vita and Miss Rita and all the other staffs of MSM Department who helped me and encourage me to complete my study.
7. Sanju Kumar Singh (Universitas Airlangga, Indonesia) and Ajit Dahal (Universitas Atma Jaya, Indonesia) who helped me in every step to complete this research.
8. Last but not the least, my father Ram Babu Das, my mother Sita Devi Das, my sister Mamta Das and my brother Rajesh Kumar Das for believing on me and supporting me. In fact all my family members sustained my spirit during the research work. I deeply appreciate their sacrifice, understanding and unconditional love.

Hopefully this thesis can be useful for readers and useful for those who need.
