ACKNOWLEDGEMENT

First of all, I would like to give my greatest thankfulness to Allah SWT for giving me chance to finish this thesis. Without His blessing, it would seem impossible for me to finish my study on time. Secondly, I am deeply grateful to my thesis advisor, Mrs. Dra. Sudar Itafarida, M.Hum for always guiding and supporting me. Without her support and advices, I would have never been able to complete this thesis. Thirdly, I would like to thank my parents for believing in me and standing by my side, no matter how difficult the situation is. Thank you for all loves and efforts in making me who I am today. Furthermore, I would also like to express my gratitude to my advisor during my years in college,

Then, I would like to say thank you to my dearest friend since the first day of my college life, Nabiilah Ihza, for being the best partner in crime ever. Thank you for loving and caring me all the time. Let's keep telling the cringe story and spilling the tea in our entire life. Also, for my dear friends who have been a source of my laughter and happiness in my college days. Cepe, Kikik, Arieka, Ralin, and Agatha, thank you for being patient and understanding me. I know how hard it is to have annoying and clingy friend like me. Sifah, my friend and enemy, for all of the bickering and good conversation. Let's root for each other and stay together.

I also want to give my thank you to JYP Entertainment, my thesis would never be accomplished without mental support that I received from their artists, GOT7 and Stray Kids. Thank God for creating them that helped me re-charge my energy and keep me sane in writing this thesis. I would like to end this

acknowledgements part by expressing my gratitude to someone who always sends song recommendations and introduces me to his cat, Garden. Thank you for being my faithful companion and my mood booster whenever I am feeling down.
